About Us

PPL FOUNDATION

Our mission is to empower communities by supporting student success from cradle to career; advancing diversity, equity and inclusion; and promoting the development of vibrant and sustainable communities.

EMPOWERING COMMUNITIES

Rhode Island Energy strives to empower the communities we serve, not only by delivering safe, reliable energy to our customers but by partnering with community organizations working to make a difference throughout Rhode Island.

We're proud to be a part of PPL Corporation, which has worked to strengthen local communities for more than a century.

The company's support for communities includes millions in donations through the PPL Foundation to community organizations, strong support of education, and employee volunteer initiatives.

This same commitment extends to Rhode Island, and we're eager to partner with community leaders and nonprofits to make a positive impact in Rhode Islanders' lives.

Funded by the PPL Foundation, Empowering Communities Grants will provide support to nonprofits in communities served by Rhode Island Energy. Grants of \$1,000 to \$50,000 will be awarded to organizations focused on education; diversity, equity and inclusion; or sustainable communities.

Focus Areas

EDUCATION

Building a strong foundation is critical to the success of today's students. Contributions in this area will support equitable and engaging high-quality educational opportunities for all students, with a particular emphasis on those in need. Programs supported through grants include, but are not limited to – early childhood education, science, technology, engineering and math (STEM) programs, literacy, summer learning and career and college preparatory programs.

DIVERSITY, EQUITY AND INCLUSION

PPL Foundation seeks to support communities where all are respected, valued and free to reach their full potential in life. Toward that end, the Foundation seeks to fund programs aimed at confronting racism and discrimination, advancing social justice and equality, improving multi-cultural relations and supporting minority-led organizations leading change in the communities we serve.

SUSTAINABLE COMMUNITIES

A strong community is one in which all residents are empowered to fulfill their potential. Improving the lives and well-being of residents in the communities we serve by fostering the development of safe, strong and sustainable communities is a primary objective of the PPL Foundation. Funding priorities include support for emergency and disaster preparedness, environmental conservation initiatives and neighborhood improvement programs.

Grant Considerations

WHEN CAN I APPLY FOR A GRANT?

ANTI-DISCRIMINATION POLICY

Frequently Asked Questions

WILL THIS REPLACE THE DONATIONS NATIONAL GRID-RI HAS TRADITIONALLY GIVEN?

Yes, the majority of future charitable contributions will come from the PPL Foundation, which will continue Rhode Island Energy's commitment to the communities we serve.

While organizations will now be asked to apply for grants, our mission to empower communities remains the same. Additionally, local consideration of requests will ensure that the needs of each community are being met.

HOW WILL THE GRANT RECIPIENTS BE DECIDED?

All applications will be reviewed by a committee of local Rhode Island Energy employees and the officers and board of the PPL Foundation.

All applications will undergo the same review process, with a focus on whether projects:

- Align with the PPL Foundation's core mission and focus areas of education; diversity, equity and inclusion; and sustainable communities.
- Address an urgent need in the community
- Target underserved populations
- Fill a unique niche or complement other ongoing efforts in the community.

DO RATEPAYER DOLLARS HELP FUND THE FOUNDATION?

PPL Foundation is an independent, non-profit organization. Funded by PPL Corporation shareowners, the Foundation was formed to support community initiatives in the areas served by PPL Corporation's utilities.

HOW MUCH DOES THE FOUNDATION EXPECT TO AWARD ANNUALLY?

As part of our commitment to support the communities we serve, we will continue to provide charitable support for nonprofits in Rhode Island through annual grant programs, scholarship funding and other nonprofit partnerships.
